Of Special Interest To You

HARRISONS' PEACH, APPLE AND PEAR TREES.

As you are aware, there is a great shortage of fruit trees in the nurseries throughout the country. Our holdings are small in quantity, but simply immense in quality. Place orders early for your needs. We will reserve for you what you select.

HARRISONS' CALIFORNIA PRIVET AND BARBERRY THUNBERGII.

The plants we offer are up to our usual high-standard, well-branched, bushy, with an abundance of fibrous roots,—the kind that will live and thrive.

HARRISONS' BOXWOOD.

We do not hesitate to say that our Boxwood is in a class by itself. It is the acme of perfection,—no finer anywhere. You will note that the grades we offer are the ones which are the most sought after.

HARRISONS' FLOWERING SHRUBS.

Ours are not the ordinary grade of plants sold under the sizes we offer, but are young, strong-growing, bushy, well-rooted plants every one of which can be called a "specimen" and will produce an immediate effect when planted on a lawn.

HARRISONS' NORWAY MAPLES AND OTHER DECIDUOUS TREES.

Harrisons' Nurseries and "quality" Norway Maples have long been synonymous. We believe that we can without fear of contradiction say that we have the largest and finest blocks of salable size Norway Maples in America. Car load lots a specialty.

HARRISONS' EVERGREENS.

In Evergreens we offer a limited list of the finest and most popular Evergreens used for street, lawn and park planting. We call your especial attention to American Arborvitae, Canadian Hemlock, Colorado, Koster's and Norway Spruce, all symmetrical, well-filled specimens which will come up with good roots and balls.

TRANSPORTATION RULES.

We have always made it prominent in our printed terms that our goods are sold f. o. b. cars at the point of shipment and are at the purchaser's risk while in transit. Because of the present unsettled conditions, we wish to emphasize still further that we do not guarantee safe delivery.

The ownership of all goods sold by us passes to the purchaser on delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent at the point of delivery.

WE STRIVE TO AVOID MISTAKES.

But in the event that any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untruthfulness to name, to replace the original order or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty, express or implied, as to description, quality, growth, productiveness, or any other matter.
